Notes:

Minutes of the DRC meeting

In the backdrop of the deliberations held in the review DRC meeting, convened on 02/08/2021 wherein the V.C.'s nominee pleaded for recounselling of the prospective candidates for admission to I.Ph.D. 2020 and deferment of re-allotment of the scholars of Late Dr. M.F. Fazili, Ex. Associate Professor of the department to the next meeting, a follow up DRC meeting was convened today on 03/08/2021 to address the developments of the said DRC meeting. After threadbare discussion, the DRC resolved as under:

1. Admission of I.Ph.D. Candidates 2020:

The DRC feels that since the exercise of admission to I.Ph.D.2020 has been finalized on 07/04/2021(Copy attached; Flag 1) through a series of interactions with the prospective candidates whereas the circular regarding the presence of V.C.'s nominee in the DRC meetings was issued on 28/06/2021 (Copy attached; Flag 2) and as such the authorities are requested to authorize the selection list without the endorsement of V.C.'s nominee as repeating the process for selection of candidates to I.Ph.D 2020 is neither possible nor advisable besides the candidates have already opted for their supervisors.

2. Reallocation of Supervisors to the Scholars of late Dr. M.F. Fazili:

The DRC is of the opinion that while only one faculty member belongs to the specialization of late Dr. M. F. Fazili under whom four research scholars have been working since their admission in the department be allotted to Dr. Bilal A. Bhat. The fifth scholar of the late Dr. Fazili is already working under the Co-Supervision of Dr. Bilal A. Bhat, hence the Co-Supervisor be treated as Supervisor.

3. Replacement of V.C.'s nominee:

The DRC unanimously resolves that the V.C.'s nominee may please be replaced forthwith as the incumbent shows utter disregard to the decisions of the DRC and gives the feeling that as if he is the sole authority to decide the fate of the departmental matters.

The meeting ended with vote of thanks to the Chair.
